Batch 2022-2024

**Institute of Public Health
Jagiellonian University Medical College
Skawińska 8, 31-066 Krakow
Poland**

European Master in Public Health (Europubhealth+)

Governance of health system in transition **(Classes conducted in academic year 2023/2024)**

The presented program of the specialization **Governance of health system in transition** is designated for the second year international students of the **Europubhealth Plus** programme who completed their first year at University of Sheffield (England), at the Andalusian School of Public Health - University of Granada (Spain), at the University College of Dublin (Ireland) or at the University of Liège (Belgium).

I. GENERAL REQUIREMENTS

The specialization course lasts two semesters and students get 36 ECTS for mandatory modules and 21 ECTS for the dissertation work and related placement. A mandatory integration module worth 3 ECTS is organized by the EHESP School of Public Health (Rennes, France) at the end of the academic year.

II. QUALIFICATIONS OF THE GRADUATE

The goal of the master studies is education enabling graduates to undertake positions mentioned below, as well as to undertake further post-graduate training in epidemiology, economy, health care management, journalism, pedagogic etc or doctoral studies for professional improvement:

- member of health care programs development team,
- leader of health care programs,
- head of organization and methodical units in health care systems,
- head of units for prevention and health promotion in health care administration and health care provider institutions,
- independent professional in health care administration, governmental and self-governmental institutions, health insurance institutions and non-governmental organizations.

III. REQUIREMENTS FOR GRADUATION AND OBTAINING PROFESSIONAL TITLE

The main condition for graduation is to obtain all mandatory credits and passing all examinations for mandatory subjects included in the program, passing practical placement, obtaining in total 120 ECTS, including ECTS obtained during first year of the program in partner university (Sheffield, Granada, Dublin or Liège) and submitting master thesis along with passing master examination.
